AT THE DOCTOR'S	SHEL DOKTOR
I haven't been feeling well for the last few days. I think I want to see the doctor.	Dep som idos, mi no sentisar ben. Mi var vidi lo doktor.
Give me the address of yours, please.	Me diu l'adres del vua,pli.
What are his consulting days? And the hours?	Ka la konsult-idos? E l'oros?
Are there a lot of people?	Cu ye mul jensos?
I had better ask him for an appointment, then.	Dan mi prifur aski un apuntado.
I have been feeling rather unwell for the last few days.	Mi sentisar nobene dep som idos.
I have a feeling of weariness.	U mi sento de laso.
I have often a headache and my temperature rises a little nearly every evening.	U mi of cefalgo e ma tempratur altar epe fas shaksere.
I don't cough much.	Mi no tusar mul.
But I have a feeling of tightness across the chest, and at times I have trouble in breathing.	Mo mi ar sensado de pex-opres e somyes mi ar spiro-duf.
It doesn't get so bad as to feel I am stifling, but it is very uncomfortable.	No gar us fogo-sensado, mo eto asay penifa.
I sleep badly, and often wake up. Sometimes I shiver.	Mi dormar male e velyijar of. Somyes mi brivar.
Will you look at my throat? It is sore.	Var vu miri ma gorgo? It algar.
I have caught cold, and yesterday I was running a high temperature.	Mi koldijir e yer mi ir alta tempratur.
I don't digest my food well and after meals my stomach feels loaded. I keep close watch on my diet, though, and never eat to excess.	Mi no digestar ben e dol mensos ma stomak ceva. Mi dok survelyar ben ma regim e edar ni exede.
I have always had a weak stomach, and a change of cooking throws it out of order at once.	Mi sem ir stomak debila, e un kuk-kambo turbar it ilke.

AT THE DOCTOR'S	SHEL DOKTOR
Will you sound my lungs? I must have a touch of bronchitis.	Var vu me askoltadi? U mi probable epe bronkit.
I am very highly-strung, and I have often to take a sedative.	Mi muy neuro-tensa e shar of preni un sedifa.
Don't you find my heart rather irregular?	Cu vu no trar ma kor epe noregla?
I have palpitations at times.	U mi somyes palpitados.
I had pneumonia two years ago.	Mi ir pulmonit yo du anyos.
Except for that, my general state is satisfactory?	Eske eto, cu ma generalstando satisfa?
I wrenched my ankle this morning and it hurts a lot. I am limping badly.	Mi tordalir ma kavilyo rtmatin e il algar asay. Mi kladar forte.
I had to take a taxi here.	Mi shir preni un taxi po veni.
I think I shall have to lie up.	Mi krar mi shor sti laga.
How long shall I have to rest?	Kan (long) shar mi ripozi?
I have had a fall and broken my arm.	Mi kadir e frakturir ma braso.
Will you set it, please?	Var vu it rebuxi, pli?
My glasses aren't strong enough. Can you tell me of an oculist?	Ma okil no sure forta. Par vu me indiki un okist?
I am short-sighted; long-sighted.	Mi miopa; presbita.
With these glasses, I see things at a distance fairly well, but I can't read. The letters get blurred.	Kon et vitros, mi vidar asay ben duse, mo mi no par lekti: letros brolijar.
These glasses suit me.	Et vitros me konvenar.
I see perfectly well.	Mi vidar perfe.
